Synopsis:

On 03/22/2013 at about 0930 hours Donald Shooter entered the YPIC School located at 3810 W. 16th St. After insisting he be allowed to talk to Danielle Munoz he was told he was not allowed in the class rooms. D. Shooter walked through the front lobby area and into the class room of D. Munoz. In the class he approached in a visibly angry manner toward D. MUNOZ and put his finger in her face while telling her "my name is Donald Shooter, I am here toYou have my grandson in your class and le me tell you." Shooter was interrupted by Theresa Dover and was told several times he had to leave. Shooter's actions disrupted the class and caused D. MUNOZ to be afraid for ber safety and the safety of the students in her classroom. I have been unable to contact D. Shooter. Follow up to continue.

NARRATIVE:

On 03/22/2013 at about 1500 hrs I was dispatched to 3834 W. 16th St. (YPIC School) to make contact with PATRICIA ROMANT. When I arrived on scene I contacted P. ROMANT in the administrative offices. She brought me into a large office when I also met with the victim, DANIELLE MUNOZ.

P. ROMANT told me that earlier today at about 0930 hrs DONALD SHOOTER arrived at the building which houses the classroom where DANIELLE MUNOZ is the teacher. ROMANT told me D. SHOOTER first made contact with the school's Registrar, AMBER CYGAN, at the front desk. D. SHOOTER told A. CYGAN that he was there to talk to D. MUNOZ. A. CYGAN told he that be would have to make an appointment because she was busy teaching a class. He then told her that he was DON SHOOTER and repeated he was there to speak with D. MUNOZ. While A. CYGAN got distracted by an incoming phone call, D. SHOOTER walked past A. CYGAN and down the hallway toward the classroom. Once inside the classroom D. SHOOTER interrupted the class and approached D. MUNOZ.

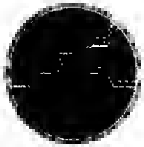

D. MUNOZ told me that while she was teaching class D. SHOOTER came into the class interrupting and approached her. She said that he came close to ber (about an arms length) and pointed his finger in her face. She could tell by his demeanor that he was upset and seemed confrontational and aggressive. D. SHOOTER said to her "Are you the teacher of this classroom?" D. MUNOZ told him that she was. He then said to her "My name is Donald Shooter, I am her to..." D. MUNOZ said at that point he was interrupted by her when she extended her hand and introduced herself by saying "My name is Danielle Munoz, it's nice to meet you." D. SHOOTER then said "you have my grandson in your class, and let me tell you..." while still pointing his finger in the face of D. MUNOZ. At that point A. CYGAN came into the classroom and interrupted D. SHOOTER by telling him that he could not be in the class, and asked him to leave.

D. MUNOZ told me it was then that she stepped away from D. SHOOTER and grabbed her cell phone. She then started video recording the incident. She said THERESA DOVER also came into the classroom and got in between D. MUNOZ and D. SHOOTER. T. DOVER then told A. CYGAN to call 911.

After starting the video recording D. MUNOZ said to D. SHOOTER "Sir, I don't feel comfortable with you being here, and I'd like for you to leave." D. MUNOZ said D. SHOOTER looked at her and saw that she was recording him. After T. DOVER asked him to leave again, D. SHOOTER walked out of the classroom.

T. DOVER and A. CYGAN were not on scene while I was there. They did however prepare written statements which are attached to this report. P. ROMANT and D. MUNOZ also completed written statements and they are also attached to this report.

D. MUNOZ was visibly upset while she was telling me the information of the incident. I asked her if she was afraid of D. SHOOTER because of his actions and she said she was. She said that when he came into the classroom in the manner that he did, she was afraid for her safety and the safety of her student.

The four students who were in the class at the time of the incident where not on scene when I arrived there, so I was unable to interview them. Those students completed written statements which are attached to this report.

P. ROMANT told me that while D. SHOOTER was at the location he informed them that he was a State Senator and very influential man in Yuma and in the State.

P. ROMANT told me that she wanted a report to be filed so that this incident will be on record. I asked D. MUNOZ if she would like D. SHOOTER to be charged with assault. I explained to her that if someone acts in a way that makes you in fear of your safety it is actually assault. After much consideration D. MUNOZ told me that she did want to press charges against D. SHOOTER. I explained to her that I would forward the report to the City Prosecutor for that, and I also explained to her the process to obtain an Injunction against Harassment. D. MUNOZ told me that she will be going to the City Court to obtain one.

P. ROMANT told me that later on this date she received a phone call from the Charter School Association. She was told that D. SHOOTER called there and said he was at the Charter School (YPIC) earlier and that he had been angry when he went there to talk to his grandson's teacher. He just wanted the Association aware of the incident. I explained to P. ROMANT the school could send a letter to D. SHOOTER officially "trespassing" him from the location.

I had D. MUNOZ email me the video that she took of the incident. It was later downloaded onto a disk and entered into YPD Evidence. After completing all of the paperwork on scene I went to the Yuma Police Department and attempted to call D. SHOOTER. The only phone number I could find was to the wife of D. SHOOTER. I left a voice mail asking her to relay a message to D. SHOOTER that he contact me.

As of 03/36/2013 at about 1930hrs. I have not heard back from D. SHOOTER.

Charter School File

This morning I was notified that a 911 call had been made from the Charter School. Mrs. Dover, Charter School Guidance Counselor came into the Administration Building to let me know that they had made a call to 911 as we had a disgruntled Grandparent at the School who had gone into a classroom and confronted one of the teachers. The Grandfather, Don Shooter, had arrived at the school with another student and asked to see Mrs. Munoz. He was told that she was not available as she was instructing a class; however, he could make an appointment to come in and speak with her. A call arrived at the front desk and the registrar took the call at which time Mr. Shooter and the student proceeded down the hall and enter Mrs. Munoz's classroom.

The Counselor was notified by another student that a parent was walking down the hall and she went to the classroom. Mr. Shooter was asked to leave the classroom and directed to the Principal's office. The Counselor calmed Mr. Shooter down and asked what his concerns were. He indicated that he was not happy with the instruction that his grandson was receiving. The Counselor indicated that she was going to have Mr. Grossenburg, the School Principal, contact Mr. Shooter on Monday to set up a meeting to address his concerns. The School Counselor was concerned and wanted to bring the incident to my attention as Mr. Shooter had indicated to her that he was a very influential person in Yuma and the State of Arizona.

I asked Mrs. Dover to have Mrs. Munoz, Ms. Cygan, and the students prepare statements regarding the incident that had occurred as a police report was going to be filed and I wanted to have all the information regarding the incident.

At approximately 1:35, I received a call from Elaine Sigmund, Charter School Association. Ms. Sigmund had received a call from Senator Shooter indicating that he had been angry this morning and had gone to the Charter School to speak to his grandson's teacher. He was concerned and wanted to make her aware of the visit. Mr. Shooter asked Ms. Sigmund to call the School and speak with the Principal as he was too angry to speak with him right now. Ms. Sigmund wanted to offer her assistance to the school to resolve the situation. She indicated that Senator Shooter was Chair of the Appropriations Committee and wanted her assistance in resolving the situation quietly and between the school and Mr. Shooter.

Subject: Incident

On Friday 3/22/13

A student came into my office and said a parent had walked down the hallway. I immediately got up and went out to where the parent was. He had gone into Mrs. Munoz's room. When I got there he was starting to confront her about her style of teaching his grandson. I got in between them as he was very close to her. Danielle got her phone and started to video him he continued to state he was going to talk to her now. I explained that this was not the time or place as she was teaching. If he would follow me we could go to another office and talk about the situation but I would not let him talk to the teacher as this time. He did follow me out of the room and I got him to G's office. There I tried to calm him down. He stated to me that the way she was teaching was not appropriate and his grandson deserved better. He also stated that he had a lot of influence in town. That she should not be teaching. I let him vent and then offered to make an appointment with the principal on Monday. He stated he would be in Phoenix. So I offered to relay his concerns to the Principal, took his cell number, and told him I would have Mr. G call him Monday. He seemed a little better and I walked him out the front door and watched him get in his car. He did not tell me his name until he gave me the phone number.

After the incident I went to Pat's office to let her know what had happened.

We sent M. Munoz home for the day as she was pretty upset.

Conversation documenting incident on March 22, 2013 involving Charter School teacher Danielle Munoz, and Mr. Donald Shooter (grandparent of CHS student)

The incident happened at approximately 9:25 AM, Ms. Munoz was in her classroom with her first period class. The following narrative is her account of what happened:

At approximately 9:25 AM, I was teaching Reading when the door opened and a man walked in, he looked familiar to me, but I wasn't sure who he was. His demeanor showed that he was upset, and seemed confrontational and aggressive.

He said "Are you the teacher of this classroom?"

I said "Yes I am". He said "My name is Donald Shooter, I am here to...."

I offered him my hand and introduced myself; "My name is Danielle Munoz, it's nice to meet you." Mr. Shooter seemed reluctant to shake my hand but did. He said "You have my grandson in your class, and let, me tell you..." He was an arm's length from me pointing and shaking his finger at me.

At that point Amber Cygan (school registrar) came into the room and said "Sir, you can't be here, there are procedures that we follow. I am asking you to leave."

Theresa Dover (School Registrar) then arrived in the classroom and put her body between Mr. Shooter and me. She told Amber to please call 911.

I was backing away toward my desk, to retrieve my phone. I picked it up and started recording Mr. Shooter, and said "Sir, I don't feel comfortable with you being here, and I'd like for you to leave."

Theresa then said "We'll set up an appointment for you to come back". She then asked him to follow her, which he did.

One of my students had stood up and said to Mr. Shooter as he was leaving, "I'd like for you to leave now."

At approximately 9:30am on 03/22/2013 one of our students, Angel Marquez, came in accompanied by an older man that I did not recognize. He approached my desk demanding to speak with Ms. Munoz. I advised him that he she was teaching class, not available and asked how I could help. He then stated that he was Don Shooter and repeated that he was there to speak with Ms. Munoz now. At that moment I received a call from Mr. Lerma that I answered, but was off the phone in less than 30 seconds. In that time Mr. Shooter had already made it down our hallway and into Ms. Munoz's classroom. I immediately hung up and rushed down the hallway advising him that our policies strictly prohibit him from proceeding past the front desk. Mr. Shooter was already in the classroom, in Ms. Munoz's face and was coming across as highly agitated and extremely confrontational. He turned to me and told me "Then you can come in here too." At that point Theresa Dover came in, told me to call 911 and then instructed Mr. Shooter that he would have to leave the classroom. They proceeded to go into Mr. Grossenburg's office and closed the door. I had called 911 but hung up as things seemed to be under control and Mr. Shooter had left the campus.
